

Rules for Playing March Madness PLUTO

- 1) Must be 18 and have a U.S. mailing address to receive prizes. Players outside the U.S. may be offered substitute prizes. Prizes include Theme Park Casual branded stickers and/or magnets.
- 2) Only official Theme Park Casual: March Madness PLUTO game sheets are allowed.
- 3) One PLUTO game sheet per player. No changing/trading sheets. If a player is discovered to have requested multiple game sheets, all game sheets for that player will be disqualified and any prizes will be forfeit.
- 4) A "PLUTO" is five consecutive spaces marked for completed rides/attractions either horizontally, vertically or diagonally ("Casual Space" is a free space)
- 5) Ride or attraction must be completed before being marked off. A ride/attraction can be marked off once "RIDE COMPLETE" has been entered in the chat by Theme Park Casual. A Theme Park Casualty (breakdown while in line or on the ride) results in "not completed" ride or attraction.
- 6) If a selected attraction is temporarily closed, it is a "not completed" attraction and a new attraction must be chosen (either by the same person or another wheel spin).
- 7) "PLUTO" must be called (entered in the chat) after completion of the ride/attraction that completes the "PLUTO". Only one player may win a "PLUTO" per attraction. After "RIDE COMPLETE" has been entered by Theme Park Casual, the first player to enter "PLUTO" into the chat, **as displayed on Theme Park Casual's phone**, is the winner for that ride/attraction.
- 8) Select attractions that are closed for refurbishment for the duration of March Madness will count once the entrance for the attraction is reached. "RIDE COMPLETED" will be entered in the chat and "PLUTO" may be called by any player if the attraction completes a "PLUTO" on their game sheet.
- 9) All "PLUTOs" must be verified. Game sheet number and rides/attractions that complete the "PLUTO" must be entered into the chat. Screen name must match screen name given when game sheet was requested.
- 10) A "PLUTO" can only be claimed during the stream which the final completed ride/attraction in the row/column is completed. Rides/attractions from prior streams may be marked for future "PLUTOs".
- 11) Winner must be in the chat to win. Players may not play sheet for another player.
- 12) Players may win up to three (3) "PLUTOs" (not including the "black out") with one sheet.
- 13) There will be up to twenty (20) "PLUTO" winners and one (1) "black out" winner for marking off an entire player sheet. PLUTO game will end once all twenty "PLUTOs" and the "black out" have been awarded.
- 14) Theme Park Casual will make a judgment on any disputes and those decisions will be final.

Rules for Playing March Madness Card Guess

- 1) Card guesses must be made after the word "GO" has been entered in the chat by Theme Park Casual. Any guesses entered prior to "GO", **as displayed on Theme Park Casual's phone**, will not count.
- 2) The first player to guess the correct card value, **as displayed on Theme Park Casual's phone**, is the winner for that card pull.
- 3) Correct card guess allows that player to choose an available attraction in the park Theme Park Casual is currently in or a spin of the "Wheel of Madness".
- 4) There is no limit to the number of guesses allowed, however, Theme Park Casual may restrict chat frequency on an "as needed" basis.
- 5) Players may win multiple card pulls during any stream.
- 6) If an attraction is temporarily closed before the attraction is completed, a new attraction must be selected in the same fashion as the original attraction (i.e. if attraction was selected via spin, a new spin will choose the replacement attraction).
- 7) Once an attraction is completed, it is no longer available to be selected. Any selections or spins that choose a completed attraction will result in a new choice or re-spin.
- 8) If an attraction cannot be completed prior to the end of the live stream, that attraction will be attempted at the start of the next live stream.
- 9) Theme Park Casual will make a judgment on any disputes and those decisions will be final.

Rules for Playing March Madness Final Ride Guess

- 1) Final Ride guesses must be submitted via the online form before February 28, 2026.
- 2) Players may make one (1) Final Ride guess. Any players found to have made more than one guess will have all guesses disqualified.
- 3) In the case of a tie, the player's second to last ride guess will be measured by Theme Park Casual to the actual second to last attraction (entrance to entrance). The player with the shortest distance, measured on Google Maps by actual walking route (not straight line distance), will be named the winner.
- 4) Theme Park Casual will make a judgment on any disputes and those decisions will be final.
